

## BE A VOLUNTEER GUARDIAN

### ABOUT GUARDIANSHIP

LMM's Guardianship Services provides legal guardians in Cuyahoga and Lorain Counties to serve as concerned, caring advocates and surrogate decision-makers for indigent adults who cannot care for themselves. Guardians, who are often volunteers, look after the emotional, social, and physical well-being of these vulnerable adults and advocate for the least restrictive living environment possible.

### VOLUNTEER WORK

Volunteer guardians are devoted to helping those who cannot help themselves. After the initial training, volunteers are matched with a ward to make at least one face-to-face visit per month and complete appropriate reports. Volunteers receive continuous support from Volunteer Coordinator, and continued education is highly encouraged.
